

**Department of Chemistry
Western University
Health, Safety and Wellness Requirements for Laboratory Work**

Western University strives to foster the development of a safety consciousness in all members of the University community for the purpose of minimizing the risk of injury to persons or the damage to property or facilities. As safety standards change the University is committed to keeping abreast of these changes, to communicating these standards within the campus, and to ensuring compliance on an ongoing basis. For more information on **Western's Health & Safety Policy**, please access the following website at:
