# **Assignments:**

**Late Submissions**: Essays are due on the date specified above. Late essays will be penalized 2% per diem (including weekends). Essays submitted more than seven (7) days after the deadline will not be accepted and will receive a grade of zero. To be considered for relief from these penalties students require a letter from a physician stating that you were ill on the day in question.

**Literary Terms**: Any subject has its own vocabulary. Those who love cars, talk about engines in ways that most people who use a car regularly do not understand. The same is true for people who love sports, or fashion, or computers, or anything else. A real interest goes hand in hand with a specialized vocabulary. The same is true of poetry. Here is some of that vocabulary with which you should be familiar:

#### Plagiarism:

Students must write their essays and assignments in their own words. Whenever students take an idea or passage from another author, they must acknowledge their debt both by using quotation marks where appropriate and by proper referencing such as footnotes or citations. Plagiarism is a major academic offence.

# Plagiarism Checking:

All required papers may be subject to submission for textual similarity review to the commercial plagiarism detection software under license to the University for the detection of plagiarism. All papers submitted for such checking will be included as source documents in the reference database for the purpose of detecting plagiarism of papers subsequently submitted to the system. Use of the service is subject to the licensing agreement, currently between The University of Western Ontario and Turnitin.com <a href="https://www.turnitin.com">http://www.turnitin.com</a>.
