2. Essays are due on the dates specified above, but each student will be allowed a total of FIVE grace days to be used at his/her discretion. Two percent per day (including weekends) will be deducted from late essays once the 5 grace days have been used up. No paper will be accepted later than three weeks after the due date.
3. All essays should be double-spaced and typewritten or printed in a standard font. Please follow MLA format (see attached guidelines). Essays should

Communication, and the Program requires students in these circumstances to follow the same procedure when seeking academic accommodation on non-medical (i.e. non-medical compassionate or other) grounds.

Students seeking academic accommodation **on medical grounds** for any missed tests, exams, participation components and/or assignments **worth less than 10% of their final grade** must also apply to the Academic Counselling office of their home Faculty and provide documentation. Where in these circumstances the accommodation is being sought on **non-medical grounds**, students should consult in the first instance with their instructor, who may elect to make a decision on the request directly, or refer the student to the Academic Counselling office of their home Faculty.

Students should also note that individual instructors are not permitted to receive medical documentation directly from a student, whether in support of an application for accommodation on medical grounds, or for other reasons (e.g. to explain an absence from class). **All** medical documentation **must** be submitted to the Academic Counselling office of a Faculty.

Students who are in emotional/mental distress should refer to MentalHealth@Western <http://www.uwo.ca/uwocom/mentalhealth/> for a complete list of options about how to obtain help.
