Value of in-class test, tutorial grade, and final examination:

The in-class test on January 18 and the tutorial grade are each worth 10% and the final examination 35% of the final grade. The tutorial grade will take account of attendance and preparedness as well as frequency and quality of contributions. You are reminded of the English Department's policy that a student must pass both the term work and the final examination to receive credit for a course.

Other matters:

You are responsible for ensuring that you have successfully completed all course prerequisites and that you have not taken an antirequisite course. Lack of prerequisites may not be used as a basis of appeal. If you are not eligible for a course, you may be removed from it at any time, and you will receive no adjustment to your fees. These decisions cannot be appealed.

Academic accommodation:

Students seeking academic accommodation on medical grounds for any missed tests, exams, participation components and/or assignments worth (either alone or in combination) 10% or more of their final grade must apply to the Academic Counselling office of their home Faculty and provide documentation. Academic accommodation cannot be granted by the instructor or department. Documentation shall be submitted, as soon as possible, to the Office of the Dean of the student's Faculty of registration, together with a request for relief specifying the nature of the accommodation being requested. The Student Medical Certificate (SMC) can be found at:
