Course Description

Mystery stories aren't just light entertainment. They explore matters of life and death. They investigate problems involving the law, justice, and morality. They address fundamental questions of security, identity, and agency. This course introduces students to the critical study of popular mystery and detective fiction from a range of historical periods and national contexts. It will examine a selection of fiction, film, television, and radio narratives.

3 hours, 0.5 course

General Objectives:

- To help you identify and define a popular literary **genre** (detective fiction), see how it has developed over time, and understand how and why this highly entertaining genre should be taken seriously in its **historical, cultural, political, social, and psychological dimensions**;
