

Academic Breast Surgeon
Department of Surgery, Division of General Surgery
Western University
London Health Sciences Centre, St. Joseph's Health Care London

Posting Date: June 21, 2024

Position Profile: A Full-time Limited Term Clinical Academic appointment at the rank of Assistant Professor or Associate Professor, or a Continuing Clinical Academic appointment at the rank of Associate Professor or Full Professor, depending upon experience and qualifications at the time of appointment. The Division of General Surgery is affiliated with London Health Sciences Centre, St. Joseph's Health Care London and the Norton and Lucille Wolf Breast Care Center and is presently comprised of 27 surgeons with busy clinical practices. The Division has a strong clinical research interest and is an accredited Royal College training program.

The Norton and Lucille Wolf Breast Care Center (BCC) at St Joseph's Health Care consolidated the majority of breast care for London and region in 2012. The center is a fully integrated ambulatory unit including diagnostic imaging, breast surgery and reconstructive surgery providing exemplary patient center care. It is a high-volume center performing 13,700 screening mammography, assessing 8000 patients, and performing 800 operations per year. Strong research links include the London Breast and Prostate Biobank located at St Joseph Health Care, Lawson Research Institute and London Regional Cancer Program.

Academic and Clinical Expectations: The successful candidate must have a strong interest in breast disease and oncologic surgery. The candidate will also be responsible for coverage of London and surrounding area. The successful candidate must be interested in pursuing a strong academic career and will be expected to participate actively in the Division's academic, research and education initiatives including teaching and supervision of undergraduate students, postgraduate trainees and fellows.

Applicants considered at the rank of Associate or Full Professor must have advanced training in breast disease, oncology fellowship, or demonstrate clinical experience in General Surgery, research interest and/or an advanced degree; and be eligible for licensure in the Province of Ontario.

Compensation Details: Compensation for this position will be commensurate with the position and experience.

To apply: Applications will be accepted until the position is filled. Review of applications will begin after July 14, 2024 with an anticipated start date of August 1, 2025 or as negotiated. Interested candidates are to provide the following as part of their application package:

a letter of interest

a statement of academic qualifications

curriculum vitae,

the names and addresses of three references (must be individuals who have worked with the applicant within two years with one reference being a direct supervisor)

a complete application form, located at:
