

JOINT FACULTY POSITION IN THE DEPARTMENT OF
CHEMICAL & BIOCHEMICAL ENGINEERING AND DEPARTMENT OF CHEMISTRY

The Faculty of Engineering and the Faculty of Science at The University of Western Ontario, one of Canada's leading research-intensive universities, seek applicants for a Tier 2 Canada Research Chair (CRC) in Innovative Materials and Biomaterials, effective July 1, 2018 or as soon as possible thereafter. The successful applicant will receive a joint probationary (tenure-track) appointment at the rank of Assistant or Associate Professor with the Department of Chemical & Biochemical Engineering, Faculty of Engineering and the Department of Chemistry, Faculty of Science. Salary and rank will be commensurate with the successful applicant's qualifications and experience. This position also includes a comprehensive benefits package. Further details can be accessed at: http://www.uwo.ca/hr/benefits/your_benefits/faculty.html

For a probationary appointment, successful candidates will have completed a Ph.D. degree in the appropriate Engineering field, or a closely related discipline, demonstrate excellence or clear promise of excellence in research, including evidence of high quality scholarly output that demonstrates independent research potential leading to peer

extensive connections to synchrotron facilities in the country and around the world for

minorities. Aboriginal persons, persons with disabilities, persons of any sexual orientation, and persons of any gender identity or gender expression.

In accordance with Canadian immigration requirements, priority will be given to Canadian citizens and permanent residents.

Accommodations are available for applicants with disabilities throughout the recruitment process. If you require accommodations for interviews or other meetings, please contact Christina Bobier by phone at 519-661-2111 ext: 80210.
