

**Evaluation:**

**Practice and Participation - 40%**

**Date: Ongoing**

Active participation in each class is mandatory. A student who cannot physically participate in a given class due to a moderate health or injury problem is expected to attend class. If a student is unwell, or needs to take a break during the practice time please stay in the room and come into a comfortable position on your mat. All students are asked to practice within their own limits to ensure safety and avoid injury. If a student is not ready or does not want to practice a particular exercise it is well within their rights to refuse.

- If unable to attend class or exam for medical, compassionate, academic or varsity reasons, applicable documentation must be provided immediately to the Kinesiology Undergraduate Office.
