### Course/University Policies

**Lateness/Absences: Assignments are due when noted above, and will not be accepted late**, except under medical or other compassionate circumstances. Electronic submission of assignments will only be accepted for the Infographic. **Submitting a late assignment without appropriate documentation will result in a zero (0) grade.**

Appropriate documentation for assignments should be submitted to the Undergraduate office. **A missed mid-term examination or practical evaluation without appropriate documentation will result in a zero (0) grade.** The course policy is not to allow make-ups for scheduled midterms, presentations or final exams, nor to assign a grade of Incomplete without acceptable and verifiable medical (or equivalent compassionate) reasons. Acceptable reasons might include hospital stays, serious illness, family emergencies (like serious accidents or illness, death) or similar circumstances.

may, on occasion, be impaired by medical illness. Illness may be acute (short term), or it may be chronic (long term), or chronic with acute episodes. The University further recognizes that medical situations are deeply personal and respects the need for privacy and confidentiality in these matters. However, in order to ensure fairness and consistency for all students, academic accommodation for work representing 10% or more of the

documentation indicating that the student was seriously affected by illness and could not reasonably be expected to meet his/her academic responsibilities. Students must follow up with their professor and their Academic Counselling office in a timely manner.

Documentation for medical requests (which should be obtained at the time of the initial consultation with the physician or walk-in clinic) for accommodation, must be submitted directly within two (2 business days after the end date on the documentation, to the

Undergraduate Office), not to the instructor.

A UWO Student Medical Certificate (SMC) is required where a student is seeking academic accommodation. This documentation should be obtained at the time of the initial

the School of Kinesiology in 3M Centre room 2225 NOT to the instructor. It will be the Academic Counselling office that will determine if accommodation is warranted. An

n requests must be submitted into the

al Student Record Information Privacy Policy.

**Grades:** Where possible assignment objectives and rubrics will be posted on OWL. Should you have a concern regarding the grade you received for an assignment or feel that it is unfair in any way, you must wait 24 hours from the receipt of the grade to approach the instructor or TA. In doing so, please make an appointment and prepare in writing, with evidence, why you feel your grade is inappropriate. Please be aware that in requesting a grade reassessment, your grade could go **up/down/or stay the same**. Calculations errors (which do occur!) should be brought to my attention immediately. Note that calculations errors (which do occur!) should be brought to my attention immediately. At least 15% of course grades will be posted by the last day to drop a course.

A) Students must write their essays and assignments in their own words. Whenever students take an idea, or a passage from another author, they must acknowledge their debt both by using quotation marks where appropriate and by proper referencing such as footnotes or citations. Plagiarism is a major academic offence (see Scholastic Offence Policy in the Western Academic Calendar). All required papers might be subject to submission for textual similarity review to the commercial plagiarism detection software under license to the University for the detection of plagiarism. All papers submitted for such checking will be included as source documents in the reference database for the purpose of detecting plagiarism of papers subsequently submitted to the system. Use of the service is subject to the licensing agreement, currently between Western University and Turnitin.com (<http://www.turnitin.com>)
