

Community Models of Care

Nursing 1120A

Course Professor:

LAURA CASTLES

BScN, MN, PHC-NP

N1120 COMMUNITY MODELS OF CARE

Calendar Description:

Students critically examine models of care and sources of knowledge in community nursing practice settings including public health, community home health and primary healthcare. Applying principles of primary healthcare, social justice, and equity, students critique how policy, practice, culture and societal norms impact health of the individual, family, community, and population and gain an understand of the role of the nurse as a change agent and populations.
