***Please note:** On Week 10 the class will be held at a local funeral home provided a funeral is not being held at the facility that day. Previous students have provided very positive feedback about their experience in this learning activity. The funeral directors will provide insight into the business of organizing funerals, discuss how they handle occupational stress, lead a tour of the facility and answer

Attendance (5%)

Students will receive 5% by attending and actively engaging in the discussion at 5 tutorial presentations in addition to their own. As these presentations provide an excellent opportunity to learn more about various palliative care contexts, attendance at all tutorial presentations is recommended.
