Course Website

The OWL website will function as the privileged space for communication between the instructional team and all participants in this course. Important resources, dates and announcements will be posted regularly, so please check this space weekly. The Teams platform will function as the privileged space for communication amongst students.

Communication

Communicating clearly and regularly with your peers and the instructional team has never been more important. This is one of the reasons why we are using Microsoft Teams, so that you feel part of a community connected by similar goals and needs. The opportunities for communication are multiple (see table below). During the first few weeks of the term, you will learn when and how to use each of the tools mentioned below. Their use will quickly become second nature as the term develops.
