Prerequisite Checking

Prerequisite(s) Registration in the third or fourth year of the School of Health Studies.

Unless you have either the requisites for this course or written special permission from your Dean to enroll in it, you may be removed from this course and it will be deleted from your record. This decision may not be appealed. You will receive no adjustment to your fees if you are dropped from a course for failing to have the necessary prerequisites.

Course Description

Canada's health care system is facing significant challenges and structural reforms. Students will learn how Canada's system is performing relative to other countries. Based on these international experiences and other forces of change, students will investigate what needs to change in order to create a sustainable system for the future

Statement on Multiple Choice Exams

Computer-marked multiple-choice tests and/or exams may be subject to submission for similarity review by software that will check for unusual coincidences in answer patterns that may indicate cheating.

Course Materials

All course materials will be posted to OWL in advance of lectures. Lecture slides are intellectual property of the course instructor; copying without permission is copyright infringement and can constitute plagiarism.

Attendance and Classroom Behaviour
