Keren Kankam, MSc, CDA . CSD Section (kkankam@uwo.ca)

Office Hours: **by appointment**

Unless you have either the requisites for this course or written special permission from your Dean to enroll in it, you may be removed from this course and it will be deleted from your record. This decision may not be appealed. You will receive no adjustment to your fees in the event that you are dropped from a course for failing to have the necessary prerequisites.

Please refer to the current Western Academic Calendar to confirm your prerequisites and/or antirequisites: www.westerncalendar.uwo.ca.

A. COURSE DESCRIPTION:

The primary definitions and principles of rehabilitation sciences will be covered. Practices of rehabilitation professionals will be investigated within an evidence- based context.

D. LECTURE BLOCKS

1. January 8th to January 29th: PT

Lecture 1: Introduction to Physiotherapy as a Profession

Lecture 2: Physiotherapy Practice

Lecture 3: PT Admissions and application to Physiotherapy programs

2. February 5th to March 4th: OT

Lecture 1: Introduction to OT and Occupation

Lecture 2: OT Frameworks and the OT process

Lecture 3: OT Practice areas, programs, and admissions

3. March 11th to March 25th: CSD

Lecture 1: Overview to Audiology

Lecture 2: Introduction to SLP, programs, and admissions

Lecture 3: SLP service delivery areas

* No class on Feb. 19th (Family Day/Reading Week)

* Lecture topics are subject to change as per the discretion of the course instructors and will be communicated to the students.

E. COURSE MATERIALS

Necessary course information will be posted to OWL, including selected readings for which learners are responsible for accessing the reading through OWL, the library or another source. Selected readings are examinable content for the purpose of this course. **There is no required textbook or reference material to purchase for this course.** Learners are encouraged to seek resource0 G -0.0149 Tc[th)]TJET60.00000912 0 612[l]-4(an)310000912n

posted to the course website.

H. GRADING POLICY

The university-wide descriptor of the meaning of letter grades, as approved by Senate:

A+	90-100	One could scarcely expect better from a student at this level
A	80-89	Superior work that is clearly above average
B	70-79	Good work, meeting all requirements and eminently satisfactory
C	60-69	Competent work, meeting requirements
D	50-59	Fair work, minimally acceptable.
F	below 50	Fail

It is expected that the grades for this course will fall between [74% and 78%]. In the event that the course average falls outside this range, a constant may be added (or subtracted) from each student's grade.

Year 1: 68-72

Year 2: 70-74 (core) and 72-76 (elective)

Year 3: 72-76 (core) and 74-78 (elective)

Year 4: 74-80

J. ACADEMIC CONSIDERATION FOR MEDICAL ILLNESS OR NON-MEDICAL A/F2 11.066 re0 0 1u1pnA

Reasonable academic consideration is a cooperative process between the University, the student, and academic staff. All participants in the process must act in good faith, and fulfil their respective obligations, if it is to succeed.

Students who experience an extenuating circumstance (illness, injury, or other extenuating circumstance) sufficiently significant as to temporarily render them unable to meet academic requirements, may submit a request for academic consideration through the following routes:

- (i) For medical absences, submitting a Student Medical Certificate (SMC) signed by a licensed medical or mental health practitioner, in order to be eligible for Academic Consideration; or
- (ii) For non-medical absences, submitting appropriate documentation (e.g., obituary, police report, accident report, court order, etc.) to academic advising office in their Faculty of registration, in order to be eligible for academic consideration.

Students seeking academic consideration:

- < Are advised to consider carefully the implications of postponing tests or midterm exams or delaying handing in work;
- < Are encouraged to make appropriate decisions, based on their specific circumstances, recognizing that minor ailments (e.g., upset stomach) or upsets (e.g., argument with a friend) are not normally an appropriate basis for a self-reported absence;
- < **Must communicate with their instructors no later than 24 hours** after the end of the period covered by either the self-reported absence or SMC, or immediately upon their return following a documented absence;
- < **Are advised that all necessary documentation, forms, etc. are to be submitted to academic advising office within two business days after the date specified for resuming responsibilities**

K.

In the event of a COVID-19 resurgence during the course that necessitates the course
