Students are expected to attend all lectures and submit assignments on time. Homework must be completed **before** each class in order to receive full participation marks.

Please see the policy on Accommodation for Illness below.

(http://www.uwo.ca/univsec/pdf/academic_policies/appeals/accommodation_illness.pdf).

Documentation is required for either illness or non-illness academic accommodation. Such documentation must be submitted by the student directly to the appropriate Faculty Dean's office and not to the instructor. It will be the Dean's office that will determine if accommodation is warranted.

ADDITIONAL STATEMENTS

Statement on Use of Electronic Devices

Electronic devices will not be allowed in class or during tests and examinations, unless the student has a formal accommodation approved by the University.

Policy on Accommodation for Medical Illness:

http://www.uwo.ca/univsec/academic_policies/rights_responsibilities.html

Students seeking academic accommodation on medical grounds for any missed tests, exams, participation components and/or assignments worth 10% or more of their final grade must apply to the Academic Counselling office of their home Faculty and provide documentation. Academic accommodation cannot be granted by the instructor or department. Please note that in all courses offered by the Department of French Studies, this same requirement will also apply to assignments worth less than 10% of the final grade. Final examinations must be written at the scheduled time unless formal alternative arrangements for a Special Examination have been approved (by the instructor, the Department and the Home Faculty Dean's Office) based on valid documented grounds.

Debarment from writing the final examination

A student is entitled to be examined in courses in which registration is maintained, subject to the following limitations:

- 1) A student may be debarred from writing the final examination for failure to maintain satisfactory academic standing throughout the year.
- 2) Any student who, in the opinion of the instructor, is absent too frequently from class or laboratory periods in any course will be reported to the Dean of the Faculty offering the course (after due warning has been given). On the recommendation of the Department concerned, and with the permission of the Dean of that Faculty, the student will be debarred from taking the regular examination in the course. The Dean of the Faculty offering the course will communicate that decision to the Dean of the Faculty of registration. (“Attendance Regulations for Examinations :
