V Taking Online Tests and Quizzes

Code of conduct

Distance learning can only work if students live by the same ethics online as on campus. By registering in this online course, you are agreeing to the *University of Western Ontario Code of Student Conduct* (<http://www.uwo.ca/univsec/pdf/board/code.pdf>) and the *Scholastic Discipline For Undergraduate Students* (<http://www.westerncalendar.uwo.ca/2016/pg113.html>).

Ultimately, each student is responsible for his or her learning achievements, and this is why we trust that you will take online examinations as you would on campus, and this includes explicitly **not seeking outside** help (human, printed, software, web, etc.) when no indications otherwise permit you to do so.

A quiet setting

Some online tests are metered and cannot be interrupted, so make sure to have a **quiet** environment, complete with **earphones** for eventual audio test components.

Turn your **phone off**, as well as all messaging or email software that could distract you with noises or **pop-up** windows.

To avoid possible software glitches, before taking a test online, it is advisable to **restart your computer** and launch only one browser application, with only one window open, and leave **no other programs running** in the background.

At the end, make sure you save all your answers before you submit for grading.
