Faculty of Health Sciences

Department of Health, Behavior & Society

- transcrire phonétiquement des mots et des phrases simples à partir de l'orthographe conventionnelle du français et d'enregistrements.
- décrire les principes de base de la phonation et d'identifier sur un croquis les organes impliqués dans le phénomène ainsi que leur rôle dans la production des sons, le tout en utilisant la terminologie phonétique internationale.

travaillerons en salle de classe. Les étudiants devront apporter leur ordinateur portable.

Le logiciel PRAAT

Les étudiants peuvent télécharger le logiciel gratuit PRAAT à partir de l'adresse suivante :
<http://www.fon.hum.uva.nl/praat/>

9.	3 mars		Phonologie linéaire et non linéaire	Phonologie linéaire
	5 mars			
10.	10 mars			Modèle de la syllabe
	12 mars	Vous recevez le TP2		
11.	17 mars			

Policy on Accommodation for Medical Illness: Students seeking academic accommodation on medical grounds for any missed tests, exams, participation components and/or assignments worth 10% or more of their final grade must apply to the Academic Counselling office of their home Faculty and provide documentation. Academic accommodation cannot be granted by the instructor or department. Please note that in all courses offered by the Department of French Studies, this same requirement will also apply to assignments worth less than 10% of the final grade. Final examinations must be written at the scheduled time unless formal alternative arrangements for a Special Examination have been approved (by the instructor, the Department and the Home Faculty Dean's Office) based on valid documented grounds. A downloadable Student Medical Certificate can be found here: <https://studentservices.uwo.ca> under the Medical Documentation heading. The policy can be found here: <https://studentservices.uwo.ca/secure/index.cfm>
