TIME MANAGEMENT

WHAT IS TIME MANAGEMENT?

Time management is the practice of being able to plan and use the time that you have in an effective way

TIME MANAGEMENT STRATEGIES

- Use a to-do list or day planner
 - Writing out responsibilities can help you remember tasks and reduce stress by allowing you to drop your mental checklist
- Prioritize your tasks
 - •
- Break larger tasks into smaller ones
- Limit distractions
 - Create clear boundaries such as putting up a "Do Not Disturb"
