Nature of Event/Field trip _____

Date of event/field trip _____

I am aware that during field trips or other excursions in which I am participating under the arrangement of The University of Western Ontario, (_____ event/field trip), certain risks and dangers may occur, including but not limited to the hazards of traveling, accidents or illness in remote places without medical facilities, the forces of nature and travel by air, train, automobile or other means as well as exposure to customs and practices of societies different from our own. Accordingly, I understand that despite its efforts, the University may not be able to ensure my complete safety at all times from such risks and dangers.

More particularly, I appreciate The University of Western Ontario does not carry accident or injury insurance for my benefit and also that there may be certain matters for which I could be held at fault personally if the accompanying circumstances do not relate to or arise from my education or if my activities or conduct fall short of what would be considered a reasonable standard for an individual in my position. In these cases I agree to be accountable in all respects for my own actions and not to ask the University or its employees to accept the consequences thereof; further, I agree to be responsible for any claims made against the University in relation to such actions.

I acknowledge that I have been advised by The University of Western Ontario of such risks and dangers as well as the need to act in a responsible manner at all times. My signature below is given freely in order to indicate my understanding and acceptance of these realities and in consideration for being permitted by the University to participate in the above mentioned event/field trip.
