

If you have an account, use the account to log in to the Pakig Portal.

Employees who do not have an account should create one at the beginning of the work year.

For new employees, a Pakig Account will be automatically created by HR Services. If

this has been done, you will be able to log in to the Pakig Account using your

work email address.

If you are already a Pakig user, you can log in to the Pakig Portal, and create a profile.

1) Navigate to the Pakig Portal by going to www.pakig.org

i) Click Faculty Staff

ii) Click I have a Pakig Profile

2) In the Pakig Portal, click on the Home page
