11. Has the instructor made reasonable and appropriate efforts to identify replacement alternatives? Yes No  
If No, explain:

13. Based on SMART learning outcomes, constructive curriculum alignment, and the necessity for these students to achieve stated learning outcomes at this point in their learning experiences, the live animal proposed in this course/program the best model in support of learning outcomes, or could equivalent absolute or relative replacement alternatives be used?
- a. I agree that the use of live animals within the proposed teaching/training project/program is essential to achieve the learning outcomes, OR
  - b. I believe that Teaching/Training Alternatives, as outlined below, would be more appropriate (please provide options):
    - i. Absolute Alternatives –
    - ii. Relative Alternatives –
