Post Training or Competency Concerns

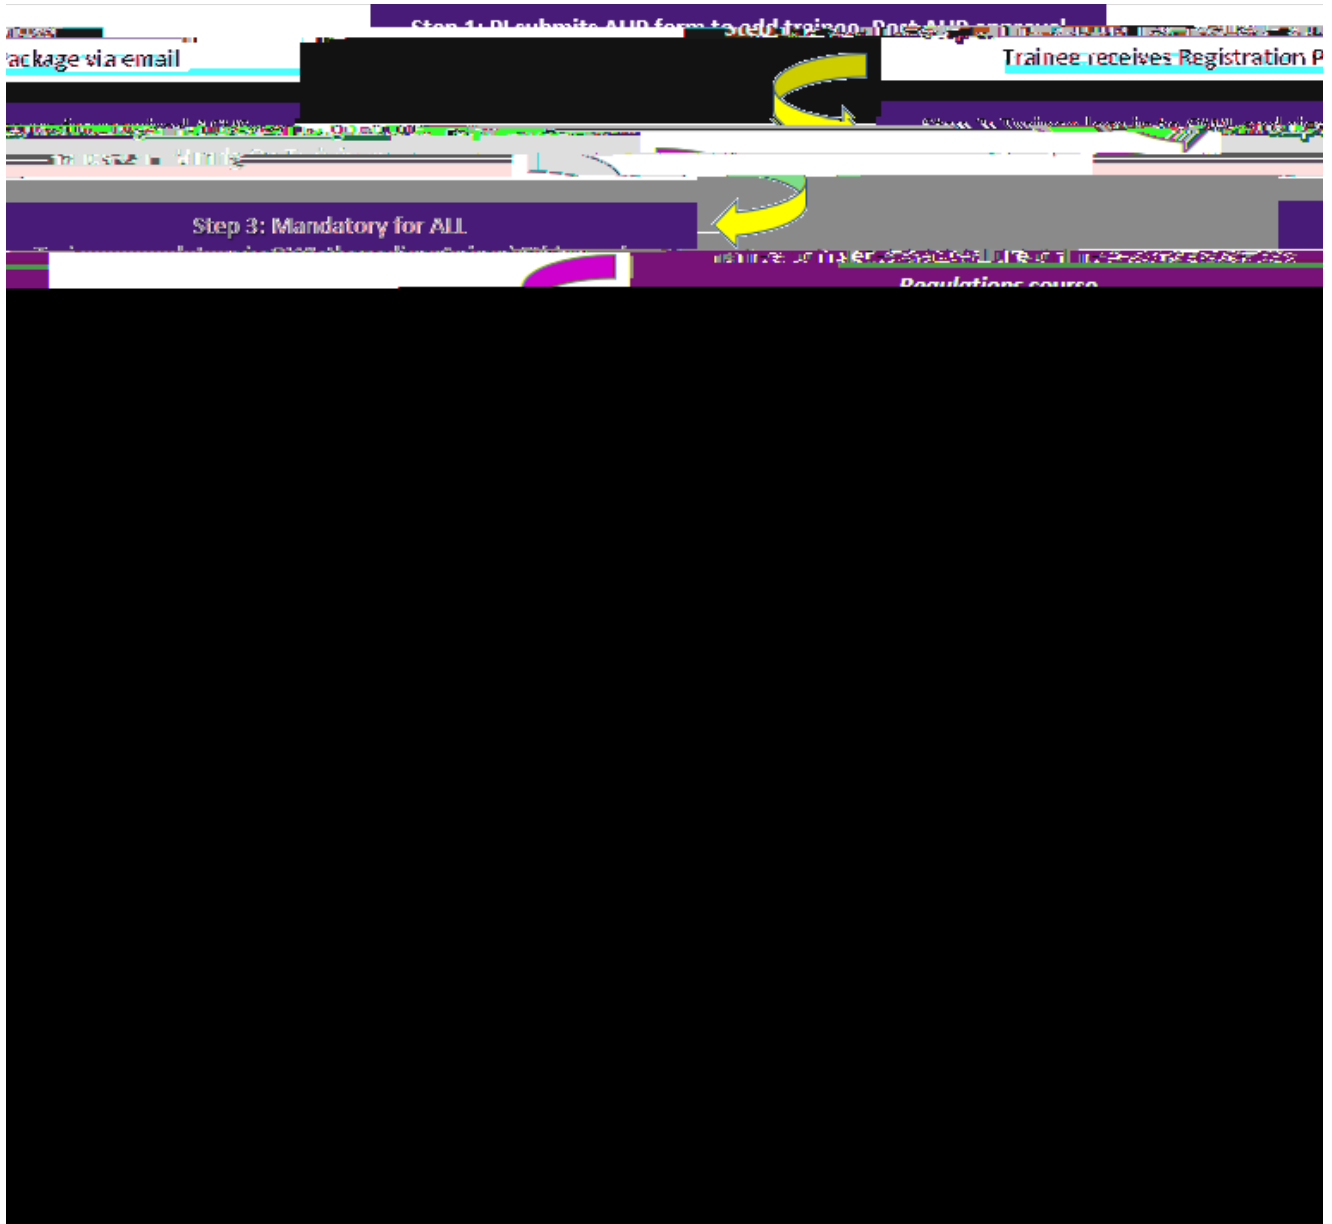

After Trainee's core skills training elements have been completed, where concerns regarding Animal User proficiency or competency arise, as indicated by any vested party, further individual training will be required before animal work may resume, as determined by an Institutional Veterinarian or ACC Executive.

- 1) The ACC may revoke a Certificate of Competence if evidence indicates that the individual has not demonstrated competence in a defined animal procedure. As directed by the ACC, the individual will be required to undertake related training before undertaking any animal work.
