

Awarded to full-time undergraduate students entering Year 2 in the Department of Statistical and Actuarial Sciences, Faculty of Science based on academic achievement and an interest in pursuing a career in actuarial sciences or advanced analytics. Preference will be given to candidates in an Actuarial Sciences program, although students in Financial Modelling, Data Science, or another program in Statistical and Actuarial Sciences are also eligible. Candidates must be Canadian citizens or eligible to work in Canada. The award will continue in Years 3 and 4 provided that recipients maintain a 70% average and full-time status in one of the eligible programs. If a recipient does not qualify to maintain the award, a replacement recipient in the same year will be selected. Recipients will have an opportunity to interview for a work term or internship with WSIB. Students are not guaranteed a work term or internship with WSIB. An offer of full-time employment with WSIB may also be extended pending successful completion of the program and work term, at WSIB's sole discretion. A recipient is not obligated to participate in the work term or accept employment with WSIB following graduation to receive or retain the award.

Students must complete an application form in accordance with the deadline announced annually by the Faculty of Science. A limited number of applicants will be chosen to participate in an interview.
