Classes begin: January 10, 2021

### Midterm Tests:

There will be 3 tests during class, closed book, each containing two parts. Students will have 50 minutes to complete the test. Chapters and topics for the tests will be announced in advance through OWL.

### Final Exam:

The final exam will be a three-hour cumulative examination. It will be scheduled by the Registrar's office (Examination period April 6 - 30, 2022).

### Accommodated Evaluations

NO makeup test to either Midterm 1, Midterm 2, or Midterm 3. If you miss either test (with a valid reason), the weight of the test(s) will be moved to the remaining exams.

If the make-up for the final is missed, the student will receive an INC and complete the task the next time the course is offered.

### Rounding of Marks Statement

Across the Sciences Undergraduate Education programs, we strive to maintain high standards that reflect the effort that both students and faculty put into the teaching and learning experience during this course. All students will be treated equally and evaluated based only on their actual achievement. *Final grades* on this course, irrespective of the number of decimal places used in marking individual assignments and tests, will be calculated to one decimal place and rounded to the nearest integer, e.g., 74.4 becomes 74, and 74.5 becomes 75. Marks WILL NOT be bumped to the next grade or GPA, e.g. a 79 will NOT be bumped up to an 80, an 84 WILL NOT be bumped up to an 85, etc. The mark attained is the mark you achieved, and the mark assigned; requests for mark "bumping" will be denied.

## 6. Student Absences

- (i) Submitting a Self-Reported Absence (SRA) form provided that the conditions for submission are met. To be eligible for a Self-Reported Absence:
