

The University of Western Ontario  
London Canada  
Statistical Science 2503B  
Advanced Mathematics for Statistics  
Course Outline -

Missed Evaluations: If you have a conflict, please contact me with appropriate written documentation, if at all possible prior to the evaluation. There will be no make-up quizzes, but if adequate documentation is received, the course quiz grade of the missing quiz will be pro-rated.

Addendum to all Applied Mathematics Course Outlines:

If you are unable to meet a course requirement due to illness or other serious circumstances, you must provide valid medical or other supporting documentation to your faculty's Dean's Office as soon as possible and contact your instructor immediately. It is the student's responsibility to make alternative arrangements with their instructor once the accommodation has been approved and the instructor has been informed. In the event of a missed final exam, a "Recommendation of Special Examination" form must be obtained from your faculty's Dean's Office immediately. For further information please log in to: <http://student.uwo.ca/>

A student requiring academic accommodation due to illness, should use the Student Medical Certificate when visiting an off-campus medical facility or request a Records Release Form (located in the Dean's Office) for visits to Student Health Services.
