

The overall course grade will be calculated as listed below:

There will be four assignments. Homework will be uploaded to OWL. No late homework will be accepted for grading and missed homework will be a zero mark.

Note: You will need to use R to solve many of the homework questions. You are required to submit all R codes with the answers.

u (50-minute) quizzes will be given. The dates of the quizzes are:

will be worth of your final grade. The topics for each quiz will be announced later.

For the final data analysis project, you must work individually. Each student is required to write a report of your analysis. You may use any dataset of JETQ.00.0.0000c8q0.00.0.0000c8q0.00.0.0000c8q0.00.0.0000

the centrally administered e-mail account provided to students will be the student's official university e-mail address. It is the responsibility of the account holder to ensure that e-mail received from the University at his/her official university address is attended to in a timely manner.

Scholastic offences are taken seriously and students are directed to read the appropriate policy, specifically, the definition of what constitutes a Scholastic Offence, at the following Web site:
