DISCOVERY CREDITS

Students are advised to carefully consider the impact of including Discovery Credits on their program of study at Western:

- Grades are used within Western to determine eligibility for specified programs of study such as the Ivey Advanced Entry Opportunity (AEO). Discovery Credits will not count towards the 10.0 credits required to apply for the Honours Business Administration program;
- Admission to graduate programs and to professional schools, in addition to certain funding options, may not be in line with the Discovery Credits framework;
- Grades are used by many organizations outside the University to evaluate students.

Undergraduate Course Credit

Students are permitted to designate up to 1.0 Discovery Credit course (or equivalent) for pass/fail grading that can be counted toward the overall course credits required for their degree program (Honours and Four Year = 20 credits, Three Year = 15 credits). Course(s) selected as Discovery Credit(s) may not be counted towards the completion of an Honours Specialization, Specialization, Major, Minor modules, or Certificates and Diplomas. Discovery Credits may be used to satisfy course pre-requisite requirements.

Discovery Credits will have the following considerations:

1. **Pass/Fail Graded:** Such registration is subject to all the rules and regulations that apply to courses taken for credit, except that the grade recorded by the Office of the Registrar will be either pass (PAS) or fail (FAI).

Deadline: The deadline to declare a Discovery Credit course is specific to the term and session in which the student is enrolled in the course. No courses may be changed from pass/fail to number graded or from number graded to pass/fail after the deadline.

1.

Undergraduate Course Credit

- f) The following programs are excluded from this policy: Engineering, Nursing, Bachelor of Music, Law, Bachelor of Education, Ivey Business and Medicine and Dentistry.
5. **Impact on Averages and Awards:** Discovery Credit courses will be excluded from term, cumulative and graduation averages. A Discovery Credit failure will be counted towards the number of failed courses. Eligibility for Dean's Honour Listing, Graduation With Distinction, University Gold Medals, and Scholarships and Awards will not be adversely impacted. Calculations will be made using remaining graded courses.
 6. **Academic Record and Student Transcript:** Discovery Credit courses will be identified on the academic record and on student transcripts. Discovery Credit courses will not display a number grade on the academic record or on student transcripts. The Office of the Registrar will retain the number grade information submitted by the department, but it will not normally be available for students.
 7. **Breadth and Essay Requirements:** Discovery Credit courses may be counted toward breadth requirements; however, may not be counted toward essay requirements.
 8. **Student Responsibility:** It is the student's responsibility to carefully review any graduate or professional school, award programs, government (e.g., OSAP) and University aid and award eligibility rules which may be affected by the use of Discovery Credit courses.

Undergraduate Course Credit

graded or pass/fail to audit after the last date for dropping a course.

Note: Students who register as Audit shall be so designated on the class lists prepared by the Registrar, but no distinction shall be made between students registered for credit, either as number/letter graded or pass/fail.

Non-Credit Registration: A student who wishes to sit in on a class in a degree-credit course for interest only, may do so with written permission. For on-campus courses, a non-credit registration form is available from Continuing Studies at Western. The form must be signed by the course instructor or appropriate Department.
