N.B. these are meant only as general guidelines for instructor and student, specific criteria may vary depending on the assignment and course (e.g. 3000 vs 4000-level).

Writing strongly demonstrates: i) significant originality and high degree of critical engagement with primary sources and secondary scholarly literature, ii) sophisticated synthesis and analysis of theoretical and conceptual dimensions of topic, iii) all major primary and secondary sources have been consulted, iv) prescribed format of paper including proper citation of sources is rigorously followed; mature prose style free of grammatical error.

Writing clearly demonstrates: i) originality and high degree of critical engagement with primary sources (written or material) and the secondary scholarly literature, ii) writing is perceptive and probing in its conceptual analysis, iii) topic is focused, logically organized, and thesis effectively presented and argued, iv) majority of primary and secondary sources have been consulted, v) prescribed format of paper including proper citation of sources is followed; well developed prose style virtually free of grammatical error.

Writing demonstrates: i) above average analysis, critical thinking, and independent thought, ii) topic is addressed in reasonable depth and/or breadth, thesis is well presented and clearly argued, iii) representative selection of primary and secondary sources has been consulted, iv) prescribed format of paper including proper citation of sources is followed; good intelligible prose style relatively free of grammatical error.

Writing demonstrates: i) satisfactory attempt at analysis and critical thinking; arguments supported by reasonable evidence, ii) topic has been addressed in some depth and/or breadth, iii) somewhat limited selection of primary and secondary sources has been consulted, iv) text is generally well written; some problems with grammar and prose style.

Writing demonstrates: i) only adequate engagement with the topic, ii) limited depth and/or breadth in conceptualization and discussion of topic, iii) insufficient number of primary and/or secondary sources has been consulted, iv) paper has numerous problems of organization, clarity of argument, and grammar.

Writing demonstrates: i) inadequate engagement with topic, ii) factual errors regarding primary sources and lack of understanding of secondary literature, iii) few of key primary and secondary sources have been consulted, iv) prose style is difficult to follow, improper format for paper, incorrect citation of sources, many grammatical errors.

Writing demonstrates: i) failure to comprehend the topic, ii) topic is not clear, text is disorganized and/or unintelligible, iii) few or no relevant primary and/or secondary sources have been consulted, iv) writing skills do not meet the minimum university entrance-level standards.

VASE PAINTING

17. The Labours of Herakles in Attic black and early red figure vase painting: their meaning in ancient Greek society.
18. The black-figure painter Amasis and the cult of Dionysus in Archaic Athens.
19. The black-figure painter Exekias and heroic imagery in Archaic Athenian society.
20. The Kleophrades Painter and Athenian society during the Persian Wars.
21. Athletic scenes in Attic black and red-figure vase painting: social content and meaning.
22. Maenads/Bacchae in vase painting: the role of women in Dionysiac cult practice.
