COURSE

This online OW

[The main body of the page contains a large area of severe digital corruption and noise, rendering the text illegible. Only a few faint characters and symbols are visible.]

Course Lessons

This course is divided into 13 lessons; each lesson is designed to be a mix of live online instruction, reading, and video. Lessons are organized to move in a specific sequence and build upon one another, so it's important that you go through each lesson in the order assigned to you.

What to Expect

Each week begins

with a start-up video that explains how to use the course. A page overview of the lesson content, readings, and assignments is provided. Approximate time for each lesson is listed below.

Lesson 1: Introduction to the Course	15 minutes
Lesson 2: The History of the American West	30 minutes
