### **Scholastic Offences, including Plagiarism**

All essays and assignments must be written **in your own words**. Whenever you take an idea or a passage of text from another author, you must acknowledge this debt by using quotation marks where appropriate and by properly referencing all quotation, paraphrase, and summary via in-text citations. **Please note that plagiarism also includes double submission: submitting work from one course for credit in another without written permission from both instructors.** Plagiarism is a major academic offence.
