## **Course Objectives**

This course introduces the basic grammatical and stylistic principles of good, clear, written English in the particular academic and professional context of Nursing. **Assignment Format**

Written assignments are to be typed, double-spaced, and stapled.

## Scholastic Offences, including Plagiarism

“Scholastic Offences are taken seriously and students are directed to read the appropriate policy, specifically, the definition of what constitutes a Scholastic Offence, which can be found here: [http://www.uwo.ca/univsec/pdf/academic\\_policies/appeals/scholastic\\_discipline\\_undergrad.pdf](http://www.uwo.ca/univsec/pdf/academic_policies/appeals/scholastic_discipline_undergrad.pdf)

Students must write their essays and assignments in their own words. Whenever students take an idea, or a passage of text from another author, they must acknowledge their debt both by using quotation marks where appropriate and by proper referencing such as footnotes or citations. Plagiarism is a major academic offence.

All required papers may be subject to submission for textual similarity review to the commercial plagiarism detection software under license to the University for the detection of plagiarism. All papers submitted for such checking will be included as source documents in the reference database for the purpose of detecting plagiarism of papers subsequently submitted to the system. Use of the service is subject to the licensing agreement currently Western and Turnitin.com <http://www.turnitin.com>.”

*Note: In this course you will be required to submit an electronic copy of the final version of each of your assignments to the OWL HomePage.*

## Prerequisites

“Unless you have either the requisites for this course or written special permission from your Dean to enroll in it, you may be removed from this course and it will be deleted from your record. This decision may not be appealed. You will receive no adjustment to your fees in the event that you are dropped from a course for failing to have the necessary prerequisites.”

## Academic Accommodation

***Note: the official Western Accommodation Policy appears below. This is in effect but may be modified temporarily by the university during the academic year as conditions change.***

Senate language requires all requests for accommodation for a grade component of 10% or more to go to academic counselling. That same section, however, allows for (and encourages) instructors to deal directly with accommodation requests for grade components less than 10%. Here’s the relevant Senate language:

“Accommodation by Instructor for work worth less than 10% of the overall grade in a course: Instructors are encouraged, in the first instance, to arrange participation requirements and multiple small assignments in such a way as to allow students some flexibility. A student seeking academic accommodation for any work worth less than 10% must contact the instructor or follow the appropriate Department or course specific instructions provided on the course outline.

In arranging accommodation, instructors will use good judgment and ensure fair treatment for all students. Instructors must indicate on the course outline how they will be dealing with work worth less than 10% of the total course grade. In particular, instructors must indicate whether medical documentation will be required for absences, late assignments or essays, missed tests, laboratory experiments or tutorials, etc. Where medical documentation is required, such documentation must be submitted by the student directly to the appropriate Faculty Academic Counselling/Dean’s office, who will make the determination whether accommodation is warranted. Given the University’s Official Student Record Information Privacy Policy ([https://www.uwo.ca/univsec/pdf/academic\\_policies/general/privacy.pdf](https://www.uwo.ca/univsec/pdf/academic_policies/general/privacy.pdf)), **instructors may not collect medical documentation.**”

## Medical Accommodation Policy

“The University recognizes that a student’s ability to meet their academic responsibilities may, on occasion, be impaired by medical illness. Illness may be acute (short term), or it may be chronic (long term), or chronic with acute episodes. The University further recognizes that medical situations are deeply

personal and respects the need for privacy and confidentiality in these matters. However, in order to ensure fairness and consistency for all students, academic accommodation for work representing 10% or more of the student's overall grade in the course shall be granted only in those cases where there is documentation indicating that the student was seriously affected by illness and could not reasonably be expected to meet their academic responsibilities.

Documentation shall be submitted, as soon as possible, to the appropriate Dean's office (the Office of the Dean of the student's Faculty of registration/home Faculty) together with a request for relief specifying the nature of the accommodation being requested. These documents will be retained in the student's file and will be held in confidence in accordance with the University's Official Student Record Information Privacy Policy. Once the petition and supporting documents have been received and assessed, appropriate academic accommodation shall be determined by the Dean's Office in consultation with the student's instructor(s). Academic accommodation may include extension of deadlines, waiver of attendance requirements for classes/labs/tutorials, arranging Special Exams or Incompletes, re-weighting course requirements, or granting late withdrawals without academic penalty. Academic accommodation shall be granted only where the documentation indicates that the onset, duration, and severity of the illness are such that the student could not reasonably be expected to complete their academic responsibilities. (Note – it will not be sufficient to provide documentation indicating simply that the student “was seen for a medical reason” or “was ill.”)

Whenever possible, students who require academic accommodation should provide notification and documentation in advance of due dates, examinations, etc. Students must follow up with their professors and their Academic Counselling office in a timely manner.”

#### **Documentation from Family Physicians/Nurse Practitioners and Walk-In Clinics**

A Western Student Medical Certificate (SMC) is required where a student is seeking academic accommodation. This documentation should be obtained at the time of the initial consultation with the physician/nurse practitioner or walk-in clinic. An SMC can be downloaded at [http://www.uwo.ca/univsec/pdf/academic\\_policies/appeals/medicalform.pdf](http://www.uwo.ca/univsec/pdf/academic_policies/appeals/medicalform.pdf)

#### **Documentation from Student Health Services**

At the time of illness, students should make an appointment with a physician/nurse practitioner at Student

**Students who are in emotional/mental distress** should refer to MentalHealth@Western: (<https://www.uwo.ca/health/psych/index.html>) for a complete list of options about how to obtain help. Immediate help in the event of a crisis can be had by phoning 519-661-3030 (during class hours) or 519-433-2023 after class hours and on weekends.

**Religious Accommodation**

Students should consult the University's list of recognized religious holidays and should give reasonable notice in writing (email), prior to the holiday, to the Instructor and an Academic Counsellor if their course requirements will be affected by a religious observance. Additional
