40%

! Note: Each of Assignments 1, 2, and 3 includes a preliminary peer-reviewed drastage. In each week a peer-review session is scheduled, you must bring to clast copy (paper or electronic) of a preliminary draft of the assignment in question. draft should be sufficiently complete (in my judgement) to allow you to obtain meaningful comment on it from one or more of your peers. I will ask you to sho your draft in class, during the peer-review session. Failure to attend class with sufficiently complete draft and/or to participate by reviewing at least one other studentÕs draftill result in the earned mark for that assignment being reduced the 10%. So, for example, what would have been an earned mark of 78 for Assignment will have a mark of 70 recordet that this penalty will be applied addition to any other applicable penalties (e.g., for late submission).

Attendance P olicies

Attendance at class is required to improve as a writer. Here is the Writing Studies attendance policlass:

- You may miss up to three hours (the equivalent of one week of class) of class meetings duterm without explanation. That means that the first three class hours you miss will be recoabsences but xcused provided you don Ot miss any more
- ¥ However, if you miss a total of four to nine class hours (the equivalent of up to three full work class), your final grade will be reduced by 10% (e.g. an earned final grade of 80% will be reported as a final grade of 72).
- ¥ If you miss a total of more than nine hours of class meetings (the equivalent of more than weeks of class meetings) your final grade will be reduced by 15% (e.g. an earned final grade of 68).

This policy will be waived only for medical or compassionate reasons. If you have good reasons for waiving an absence of one class meeting (e.g. if youÕve missed three hours, and need or want to another class meeting) discuss these reasons with your instructor within one week of that absence absence is extended and prolonged (over one week of continuous non-attendance), then you should be discuss it with your academic advisor in your home faculty, who ay require documentation. That a may then contact all of your instructors. See also Medical Accommodation Policybelow.

Attendance also extends to tardinesslf you are more than 20 minutes late until be penalized an hour of attendance. Please make every effort to be on time as late entry can disrupt the flow of d in our class. Early departures from class, which have not been previously arranged with the instru will also be counted as an absence. If you leave during the break, you will be docked an hour of attendance.

Note: a class meeting missed in order to write a test, exam, or other form of Ômake-up classÕ in coursewill count as non-attendance, amid attract penalties as defined above if applicable. Instructor the University of Western Ontarishall not require a student to write a make-up test or similar at time which conflict with that studentÕs other scheduled class times. If you are asked or ÔrequiredÕ to you should immediately contact an academic counsellor in your DeanÕs office. If you elect to mis in order to write such a test, that visur choice; your absence will not be excused.
