PREREQUISITES

The University Senate requires the following statement to appear on course outlines:

“Unless you have either the requisites for this course or written special permission from your Dean to enroll in it, you may be removed from this course and it will be deleted from your record. This decision may not be appealed. You will receive no adjustment to your fees in the event that you are dropped from a course for failing to have the necessary prerequisites.”

The prerequisite for this course is permission of the Department (consult the Undergraduate Program Director, Writing).

Religious Accommodation

Students should consult the University's list of recognized religious holidays, and should give reasonable notice in writing, prior to the holiday, to the Instructor and an Academic Counsellor if their course requirements will be affected by a religious observance. Additional information is given in the [Western Multicultural Calendar](#).

Special Requests (Special Examinations, Incomplete Standing, Aegrotat Standing)

Please refer to the “Information for All Students in a Writing Course” for more detailed information. Briefly, remember that your instructor does not have the discretion to initiate, consider, or grant (or not) such requests; you must go directly to the Dean’s office of your home faculty.

Students who are in emotional/mental distress should refer to Health and Wellness
